

## Lyndarum Seats at Hawthorn Town Hall

If you're looking for a seat that will stand the tests of time, Australian weather and public use, then look no further.

Made from 304 grade stainless steel and Australian hardwood slats, the Lyndarum Seat combines a modern, smooth design with premium materials.

The Lyndarum Seat is a truly premium public seating solution.

Recently, the City of Boroondara installed seven Lyndarum Seats in the public space surrounding the Hawthorn Town Hall.

The results are superb and the area is utilised by the local community.

Available with the options of bolt-down/ in-ground and armrests/ no armrests, the Lyndarum Seat is also complimented by a matching Picnic Setting, Bench Seat and Litter/ Recycling Receptacle.
