

FURPHY'S FOUNDRY SALES PTY LTD

COMPANY QUALITY POLICY

Furphy's Foundry Sales Pty Ltd design, manufacture and supply a wide range of street, park and commercial furniture to Local Government, Private Industry and the Education Sector.

Our goal at Furphy's Foundry Sales Pty Ltd is to be the most efficient and cost effective producer of quality non-ferrous and steel fabricated products in Australia.

In conjunction with all employees we shall maintain and further develop the Quality Management System.

Our vision at Furphy's Foundry Sales Pty Ltd is to be Australia's leading provider of prefabricated open space structures and urban designed products. We will achieve this by:

Focusing on pre-fabricated standard and modified products sales and designs and,
Providing targeted and qualified pre-fabricated custom solutions within our agreed parameters.

Whilst Quality is our main objective, strong emphasis shall be given to Occupation Health and Safety of all employees.

Our Quality Management System in accordance with ISO 9001, shall ensure that all customer needs and expectations are continuously improved; this shall be achieved by ensuring our personnel are adequately trained, suppliers are constantly assessed and all elements of the standard are constantly reviewed and improved.

Yours faithfully

Todd Huggard
