

celebrating **150** years

The Story

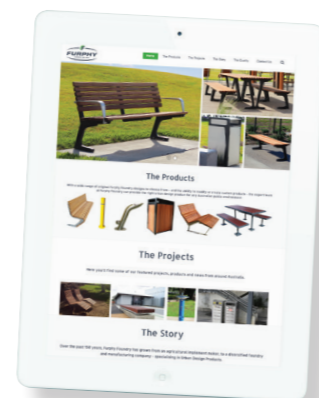

As one of Australia's oldest companies, Furphy Foundry is proud of its heritage and a strong dedication to producing excellent products has always been paramount. Furphy Foundry's commitment to manufacturing such high-quality products was first summarised in 1910 when company founder, John Furphy inscribed the following words on the cast ends of a Furphy Water Cart:

"GOOD, BETTER, BEST - NEVER LET IT REST - TILL YOUR GOOD IS BETTER - AND YOUR BETTER, BEST."

Manufactured in Australia, our range of Bike Racks provide practical solutions to the growing issue of safe bike storage in public areas.

Single Hoop Bike Rack

The Single Bike Rack is a stylish and well made product designed to be easy to install, maintain and use. Made from polished 304 stainless steel, these units are made to last.

50.8mm O/D Stainless Steel Tube
Polished 304 Grade Stainless Steel
Bolt Down or In Ground Attachment
Also Available in 316 Grade Stainless Steel

Bollard Bike Rack

Our Bollard/ Bike Rack can be utilised as its name suggests - as a Bollard and a Bike Rack. Made from 304 grade stainless steel, this attractive multi purpose item will withstand harsh environments.

Throughout the past 150 years, we've developed a strong commitment to producing quality products. The core culture of our modern business revolves around this commitment, and we look forward to carrying on our proud history for many years to come.

All of our products are manufactured under an ISO9001 Quality Management System.

Spiral Bike Rack

Our Spiral Bike Rack ticks both boxes: style and effectiveness. Available as a 4 bay rack or extendable to suit your requirements, the Spiral Bike Rack is made from 304 polished stainless steel.

50.8mm O/D Stainless Steel Tube
304 Grade Polished Stainless Steel
Standard 4 Bay
Bolt Down or In Ground Attachment
