

celebrating **150** years

The Story

As one of Australia's oldest companies, Furphy Foundry is proud of its heritage and a strong dedication to producing excellent products has always been paramount. Furphy Foundry's commitment to manufacturing such high-quality products was first summarised in 1910 when company founder, John Furphy inscribed the following words on the cast ends of a Furphy Water Cart:

"GOOD, BETTER, BEST - NEVER LET IT REST - TILL YOUR GOOD IS BETTER - AND YOUR BETTER, BEST."

The option to customise the colours, materials used and finishing options allows the Furphy Foundry range of Picnic Settings to fit into almost any Australian public environment.

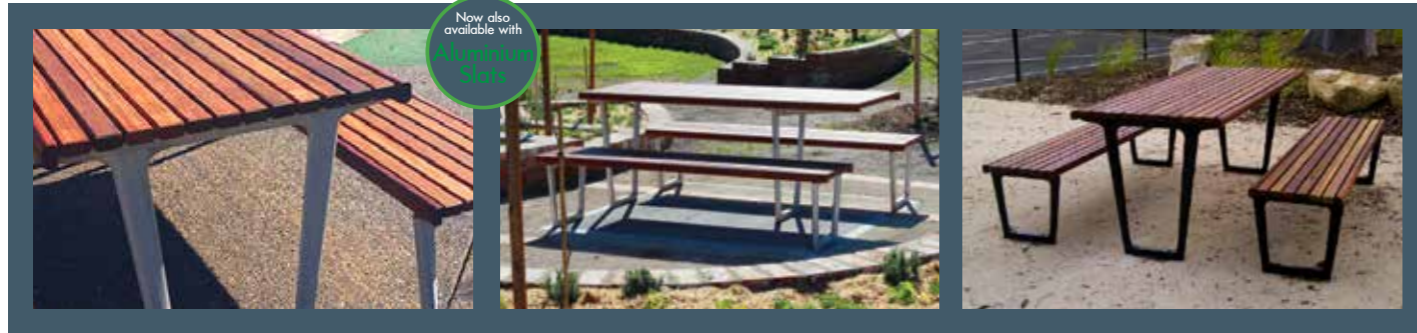

Throughout the past 150 years, we've developed a strong commitment to producing quality products. The core culture of our modern business revolves around this commitment, and we look forward to carrying on our proud history for many years to come.

All of our products are manufactured under an ISO9001 Quality Management System.

Metro Picnic Setting

A popular, simple and very effective product which has been created specifically to suit modern urban or park environments. Cast aluminium and hardwood slats, manufactured in Australia.

Promenade Picnic Setting

The Promenade Picnic Setting is made from a sturdy cast aluminium frame and hardwood timber slats - resulting in a truly low-maintenance, aesthetically brilliant and durable product.

Woodgrove Picnic Setting

Constructed from mild-steel and hardwood timber slats (WPC options available) - the Woodgrove comes alive through powder-coating and finishing options.

Fulcrum Picnic Setting

Designed and manufactured here in Australia from cast aluminium and hardwood slats, the Fulcrum Picnic Setting is a versatile and stylish addition to any public space.

Civic Picnic Setting

A durable mild steel frame, paired with our standard Furphy hardwood timber slats are used to create our popular park and urban Civic Picnic Setting.
