The Story

As one of Australia's oldest companies, Furphy Foundry is proud of its heritage and a strong dedication to producing excellent products has always been paramount. Furphy Foundry's commitment to manufacturing such high-quality products was first summarised in 1910 when company founder, John Furphy inscribed the following words on the cast ends of a Furphy Water Cart:

"GOOD, BETTER, BEST - NEVER LET IT REST - TILL YOUR GOOD IS BETTER - AND YOUR BETTER, BEST."

Comprising primarily of picnic settings, seats, benches and litter receptacles, the diversity of our designs and materials enable seamless integration of our products into any environment. In addition, most of our products are customisable.

Fulcrum Suite

The Fulcrum Suite is a modern collection that we have been creating and successfully providing to many Australian clients. Comprising of a picnic setting, seat, bench and litter receptacle.

Civic Suite

Constructed from galvanised mild steel framing and hardwood timber or aluminium slats, the Civic Suite is a simple yet very sturdy design, ideal for various public use applications.

Metro Suite

Distinguished by a unique and modern cast-aluminium framing layout, the Metro Suite of furniture is a well-made, premium solution for all public environments.

Throughout the past 150 years, we've developed a strong commitment to producing quality products. The core culture of our modern business revolves around this commitment, and we look forward to carrying on our proud history for many years to come.

All of our products are manufactured under an ISO9001 Quality Management System.

Woodgrove Suite

One of our most versatile furniture suites in terms of design, the Woodgrove Suite is a simple yet classy suite of products that has proven to withstand the rigours of public use.

Promenade Suite

A combination of stainless steel tubular legs, aluminium framing and hardwood posts have been used together to create the popular Promenade suite of Street Furniture.
