

PodX

A GREAT SHELTER SOLUTION
FOR ANY ENVIRONMENT

The PodX provides privacy and comfort whether you're utilising it for social gatherings, work or meals.

It features an accessible table, generous bench seats and back rests, as well as aluminium extrusion slats across the roof and rear wall to help cut the sun's glare.

Ideal for any outdoor environment, durable and sturdy, the PodX provides sanctuary in any park, schoolyard, or urban open space.

PodX
