

The Story

As one of Australia's oldest companies, Furphy Foundry is proud of its heritage and a strong dedication to producing excellent products has always been paramount. Furphy Foundry's commitment to manufacturing such high-quality products was first summarised in 1910 when company founder, John Furphy inscribed the following words on the cast ends of a Furphy Water Cart:

"GOOD, BETTER, BEST - NEVER LET IT REST - TILL YOUR GOOD IS BETTER - AND YOUR BETTER, BEST."

B11 Bollards

Bollards

Ranging from simple and elegant through to detailed and high-end, our range of Bollards have been designed to withstand harsh Australian conditions while serving their purpose over the long-term as a barrier or divider.
